

CORPORATE GREENING DAY

Oakvillegreen Conservation Association (OCA) works collaboratively with the Town of Oakville, corporate partners, schools and community groups to protect, restore and enhance green spaces in Oakville. We hope to establish an engaging and meaningful partnership that meets your unique company needs. Partnering with Oakvillegreen provides employees and corporate groups with a great opportunity to give back to their community, while having an enjoyable outdoor team-building experience, with tangible environmental benefits.

Oakvillegreen Corporate Greening Day program offers:

- Tree planting
- Pollinator garden and care
- Invasive species removal
- Site clean-up
- Tree health monitoring and mulching
- Nature walks

Each Corporate Greening Day program includes:

- Planning and delivering a 2-3 hour program tailored to meet your corporate objectives
- Supplying all tools and materials needed
- Providing all necessary training by staff experts on site
- Offering a Corporate Greening Day Certificate of Recognition
- Promoting your volunteer project on OCA social media channels
- Light refreshments optional at additional cost
